

About us...

Travis County Emergency Services District No. 2 is a leader in the County and provides protection to approximately 100 square miles of northeast Travis County. Included in the area are the City of Pflugerville, Wells Branch M.U.D., and many suburban neighborhoods, as well as a large farming community. The estimated population served is 65,000 people. The District has a great responsibility providing fire suppression, fire prevention, and first response emergency medical care in this large area.

Yearly Incident Counts by Station 2007

STATION	Totals
